

LANDMARK

Landmark Environmental Policy

Landmark provides flexible office space solutions across London and the UK and we are committed to conducting ourselves in a responsible and sustainable manner to protect people and the environment.

We commit to protecting the environment and to prevent pollution as far as possible. We will fulfil our compliance obligations and commit to continually improve our environmental management system to enhance our environmental performance.

The Directors are committed to ensuring that this policy is met and will regularly review its environmental responsibility strategy and objectives.
